

Resident Information Bulletin #2

Lake Briarwood Traffic Calming Study

Village of Mount Prospect
Public Works Department
April 2026

INTRODUCTION:

The Village is conducting a traffic study in the Lake Briarwood Neighborhood and is seeking your input on the initial design to address traffic issues.

LAKE BRIARWOOD NEIGHBORHOOD:

A petition requesting traffic calming from the Lake Briarwood Neighborhood was submitted to Public Works in the fall of 2025. Traffic counts were completed in October 2025 and found the neighborhood to be eligible for the Friendly Neighborhood Streets Program.

INITIAL DESIGN:

In March, the Village sent out a letter to all residents introducing the study and requesting feedback on existing traffic issues. 13 responses were received with the main issues reported being speeding and potential conflicts with pedestrians and cyclists since there are no sidewalks. To address these issues, the Village proposes to install speed feedback signs on Briarwood Drive East and West to remind drivers of the speed limit and make them aware of their current speed. This will provide a traffic calming effect, slowing drivers, while not reducing roadway space, allowing for passing of pedestrians and cyclists.

TRAFFIC CALMING PROCESS:

We are currently at step 8, Second Public Outreach. See timeline to the right. Note temporary measures are not anticipated to be part of this study.

PUBLIC INPUT

The Village is seeking public input on the initial design. Comments can be submitted to Public Works by using the enclosed comment form and mailing it to or dropping off at Public Works, Attn: Luke Foresman, 1700 West Central Road, Mount Prospect, IL 60056. Residents can also submit comments by phone at (847) 870-5640 or by email at publicworksdept@mountprospect.org. Please put "Lake Briarwood Traffic Calming" in the subject line of your email. **The comment submittal deadline is Friday, May 15th.**

The study will be presented to the Transportation Safety Commission for information and comment at their meeting at 7:00 PM on May 11th, 2026 at the Emergency Operations Center at Public Works, 1720 W. Central Road. You are invited to attend and participate in the meeting. This will act as the "on-site" meeting as described in the timeline above.

More information on this study can be found on the study website. Please scan the QR code below or search "Traffic Calming" on the Village's website. A plan showing proposed sign locations is included in this letter.

Comment Form #2

Lake Briarwood Traffic Calming Study

Village of Mount Prospect

Public Works Department

April 2026

Please answer the following question to help us as we work to develop a possible traffic calming plan in the Lake

Briarwood Neighborhood. Additional information can be found on the study website, see QR code below or search

“Traffic Calming” on the Village website.

Address: _____

Provide any comments on the initial design:

[illegible]

Submit form to Public Works, Attn: Luke Foresman, 1700 West Central Road, Mount Prospect, IL 60056.

Or email the form to publicworksdept@mountprospect.org. Please put “Lake Briarwood Traffic Calming” in the

subject line of your email. Please submit by Friday, May 15th, 2026.
